

Ring in the New Year!

This year I want to...

The image features a large, hand-drawn outline of a bell. At the top and bottom of the bell are small circles representing the clapper and the base. The bell is decorated with several stars and spirals around its perimeter. Inside the bell, there are four horizontal lines for writing, positioned below the text 'This year I want to...'. The entire graphic is rendered in black outlines on a white background.
